

The “SNAP 20”

We will be manually inputting in 20 emails at our team dinner. Our Snap Director will walk us through the process of creating our team video and entering in our data.

****The best practice is to put 20 email addresses in a note on your phone, or email the list to yourself. This will make it easier since all you will have to do is copy and paste them instead of typing them out****

Your contacts are strictly private and protected.

PARTICIPANT PERSONAL GOAL: 20+ email addresses
